CHAPTER 3

OTHERS

I'm already downstairs.
Yeah... I'm coming up now...

Kids Out Come over the door!
Knock knock
Geez, you idiot.
Why do you bring so many people when coming to visit an author's house?!
Come in, come in!

Auntie, let me help...
You guys go sit down, the food will be ready soon!

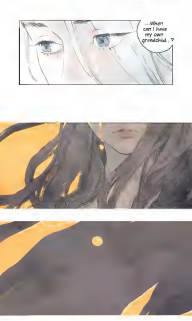
Wei Wei, you haven't seen an your aunt and uncle for so long...
I've cooked all of your favorite dishes today!

Try my cooking skill first. The bone stewing is at afternoon.
Those nice sentence come out with an

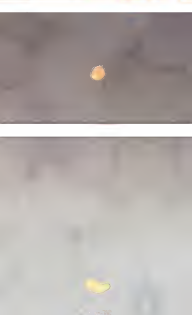
Is your father's health better now?
Yes, much better. My parents are also in Xishan...

I'm preparing to bring them back since the weather warms up
I keep telling your uncle Lin to vacation with me, but he doesn't want to since his work is at the hospital...

And you! You say so coldly to mom, but you don't even like to come back for dinner!
Mom, why did this come back to me...?
Look at how dutiful Wei Wei is!



You are overthinking it, it isn't touchy anyway so do not you still make my worry!
If you could be half as dedicated to Wei Wei, I would be so happy!



...Since she was young, she's never made her parents worry!
...Always so outstanding at her studies and at work...

But you never can't pass focus on work.
Look mom, I saw Wei Wei's text and don't be in your mind

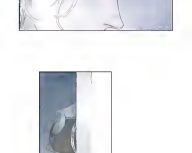
Did you know, she's second child is already...?

Come on, eat some more!

When people got to my age, they start hate so much ...
Why are you bringing this up again...?

That kid was so cute...
They called me grandma.

...when can't have my own grandchild...?



Mmm are you two planning anything exciting..?

What now? Haven't you probing me quite a moment ago..?
Of course more eagerness of Mei Mei one Nurarihyon persona..

But why do you guys keep getting it all?!
Mom... Neither of us are kids anymore, you don't need to worry about things like this.

So you do know that you're not a child anymore! Mei Mei is half a year older than you.
You might not be in a hurry, but what about her? Don't her parents want to see their grandchildren soon?

Our conversations always come back to this... Can't you worry about something other than reproduction?
My work has been extremely stressful lately, can't I have this for once ..?

Fine, fine, fine! You always have your excuses. I can't win an argument with you!
You kids may have studies a lot of textbooks, but how come you just can't put yourselves in our shoes?!

Too self assured.....

Too selFish!

I'm so sorry, I'm needed at the hospital for an emergency...

Wait a moment, I'll take you back.
That's not necessary. My car is somewhere

I'm sorry for bothering you today...
If my mom hadn't married again recently...
This is the last time.

The next time you have problems with your studies, find someone else!
.....

You... you're angry?
No.

Don't take what my mom said to heart...
It doesn't have anything to do with that!
That... Oh, I know!

Is it because you fought with your girl?
You've been using these past few days...

You don't need to vent your anger at me though... You can talk to me too if you're unhappy...

Are you finished?!!

What does this have to do with you?!!
Stop getting into my business!
Wei Wei....

All right, you can go back upstairs!
You...
No, it's just that...

Up ahead... be careful!!!

!!

Really though, why did you wear high heels...?
How is it, does it hurt?
You should come upstairs and fix insole as for you...
...It's really nothing...
I'm sorry...
I shouldn't have lost my temper at you...
It really is none of my business...
Forget it...
Xiao Qu.....
Have you ever considered that one day...
You should just tell the whole truth to your family?
What's the point of doing something bad then.....?
What would telling the truth solve?
It would only add to their worries...
Why do we need to forcefully involve reality in their faces...
But, Xiao Qu....
Are they really the ones who can't face reality...
Or is it just me?
No!
I'm not going back!

What's wrong with the way things are now..?
Why do you need to choose me now!?!?
You haven't been home in a week, your family must be worried...
I've already told you, you don't need to worry about them.
I've already taken care of everything...
There won't be any problems...
What parent would just let their child live in a stranger's house!?
Not to mention that you are still in highschool.....
What's wrong with being a highschooler!?!
What's wrong with a little age difference!?!
Why do you always treat me like a child!?
Why can't you just trust me!?!
If you want me to... trust you...
Then why do you never tell me anything about your family?
If there really is no problem, then why do you keep making up excuses to distract me...!?
How can I let you keep lying with me if it's like this?
Please don't be delusional anymore...
I'm doing this for your own good too...
So it would be okay if I just told you?
You would be able to help me resolve it!
Would you tell them that you want me to stay?
Would you tell them that you are my girlfriend?

Or will you be the same as you are now....
Only kissing minus with no emotion... no one else around.....
Telling people that you are my aunt.....
Procrastinating to let the Doctor Wei check everytime likes.....
Ding ri, i...
Is it really me that you're worried about?
Or are you afraid that people will find out about your secret?
If it's for my good....
Then why do you want to push me away...?
I'm sorry...
I'm sorry...
I'm sorry.....
I won't..
I want push you away...
No matter what the pressure is.
We'll figure out a solution together.....
You can't push me away again.
I won't, I promise
And you can't lie to me again...

I promise.

Apologize Xiao Wei, did you wait for long?

No, I just got here...

Is there something that you need to talk to me about?

Good news!

Your foreign exchange application has been approved.

Actually if it weren't for the exceptional circumstances, it would have been approved a long time ago.

You've been ready for a while now, haven't you?

But you will still need to get all of your work here in order first....

Director, this year, I...

They approved two spots this time.

If you guys are together, you can watch out for each other too.

Two spots?

Come in!

Director Chen, were you looking for me?

You came just in time. I was talking about you.

Since Xiao Wei is here too, let's talk about the plans for the exchange now.

Doctor Lu
